

Niranjana Hegde Bhimanakone Satyanarayana

✉ bsniranjanahegde@gmail.com  Niranjana Hegde B S
 <https://niranjanahegde26.github.io/>  26/09/1999

Education

- 2023 – 2026 **M.Sc. Language Science and Technology**, Saarland University, Germany
Thesis: Individual Differences of Inhibition Control in Bilingual Sentence Processing: A Self-Paced Reading Approach
Aggregate: 1.3
- 2017 – 2021 **B.E. Information Science and Engineering**, in University Visvesvaraya College of Engineering, affiliated to Bangalore University, India
Thesis: Enhanced Cyber Security in IoT Using Deep Belief Network
Aggregate: 85.54%

Research Publications

Conference Proceedings

- 1 Niranjana Hegde B S et al. "Enhanced Cyber Security in IoT Using Deep Belief Network". In: *2022 IEEE 2nd Mysore Sub Section International Conference (MysuruCon)*. 2022, pp. 1–5.  DOI: 10.1109/MysuruCon55714.2022.9972474.  URL: <https://ieeexplore.ieee.org/abstract/document/9972474>.

Conferences and Workshops

- 2025 **The Workshop on Individual Differences in Reading (IndiREAD)**,
Volunteer and Participant, 26–27 November 2025, Saarbrücken, Germany
- L3W-2025: Workshop on Multilingual Language Acquisition, Processing and Use**,
Poster presentation: "Does Ukrainian serve as a good bridge language for Russian speakers in understanding other Slavic languages?", 3–4 October 2025, Madrid, Spain
- DMR 2025: 6th International Workshop on Designing Meaning Representations**,
Participant, 4 August 2025, Prague, Czechia
- Conference on Rational Approaches in Language Science (RAILS)**,
Participant, 13–15 February 2025, Saarbrücken, Germany
- 2022 **2022 IEEE 2nd Mysore Sub Section International Conference (MysuruCon)**,
Oral Presentation, 16 – 17 October 2022, Mysore, India

Employment

- Apr 2024 – Present **Wissenschaftliche Hilfskraft – LingoTurk**, Advisor: Prof. Dr. Vera Demberg
I design and manage online behavioral experiments (such as SPR, modified Maze, Mouse tracking, speech production, audio, and video-based experiments) for behavioral data collection for the lab group.
- Aug 2021 – Sept 2023 **Software Engineer & Software Engineer 2, Dover India Private Limited, Bengaluru**
I was involved in creating new REST APIs, and designing user management, version management, and role-based access control for CDS Mentor, a 3D Visualization SaaS.
- Feb 2021 – June 2021 **SDE Intern, Practo Technologies Private Limited, Bengaluru**
I managed the dashboard for monitoring various system and network states and introduced automated scripts for system and network monitoring.

Selected Projects

- 2025 **Does Ukrainian serve as a good bridge language for Russian speakers in understanding other Slavic languages?** – Statistical data analysis of translations using linguistic and large language metrics to study receptive multilingualism in Slavic languages. Results show statistical significance on translation accuracy and quality for Russian speakers who know Ukrainian as L2.
- 2024 **When Words Deceive: False Friends and L2 Proficiency in German-English Bilingual Processing** – Statistical data analysis of the Self-Paced Reading study to understand the relationship between L2 proficiency and language non-selectivity. Results show that participants with higher vocabulary size (as a proxy of proficiency) are better at disambiguation of false friend lexical meanings.
- Neural Bilingual Named Entity Recognizer for English - Spanish Code Switching** – A custom RoBERTa-based neural model trained on CALCS 2018 English - Spanish code-switched dataset for named entity recognition. Validation accuracy and Validation Micro F1 outperform the benchmark for the dataset.
- 2021 **Football tweet dataset generator** – Football Sentiment Analysis dataset generator by using hashtags. Uses tweepy for tweet scraping, vaderSentiment for sentiment annotation and cron jobs for regular execution of the scraping script.

Skills

Languages	Kannada (Native), English (Fluent), Hindi (Intermediate), German (Beginner)
Programming Languages	Java, Python, R, C#
Databases	MySQL, MongoDB, PostgreSQL
Web Development	HTML5, CSS, Angular, Node.js, Python Flask, .NET Core

Miscellaneous Experience

Awards and Achievements

- 2022 **Runner Up, Dover India Hackathon 2.0**
- 2021 **1st Rank in BE Information Science and Engineering**, Bangalore University.
- 2017-2021 **Foundation for Excellence (FFE) Scholarship**, Awarded Rs.40,000 annually for academic merit.
- SSP Scholarship, Government of Karnataka**, Awarded Rs.19,000 annually for academic merit.

Selected Courses and Certifications

- 2020 **Launching into Machine Learning** by Google Cloud. Issued by Coursera.
- 2022 **Introduction to Psychology** by Yale University. Issued by Coursera.
- 2023 **Introduction to R**. Issued by Datacamp.
- Intermediate R**. Issued by Datacamp.
- Intermediate Regression in R**. Issued by Datacamp.
- Introduction to Data Visualization with ggplot2**. Issued by Datacamp.

Extra Curricular Activities

Volunteer	Inspiron 2017, Fiesta 2017 (Technical and cultural events in University Visvesvaraya College of Engineering)
Organizer	Impetus 2018, Fiesta 2018, UVCE Jaatre 2018 (Technical and cultural events in University Visvesvaraya College of Engineering)
Cultural Club In-charge	UVCE Vinimaya (2019-2020), UVCE Chethana (2019)
