Education

- 2023 – Present **M.Sc. Language Science and Technology** in Saarland University.
Thesis: Individual Differences of Inhibition Control in Bilingual Sentence Processing: A Self Paced Reading Approach
Aggregate: 1.5
- 2017 – 2021 **B.E. Information Science and Engineering**, in University Visvesvaraya College of Engineering, affiliated to Bangalore University.
Thesis: Enhanced Cyber Security in IoT Using Deep Belief Network
Aggregate: 85.54%

Employment

- Apr 2024 – Present **Wissenschaftliche Hilfskraft – LingoTurk**, Advisor: Prof. Dr. Vera Demberg
I design online experiments (such as SPR, modified Maze, Mouse tracking, audio, and video-based experiments) for behavioral data collection and manage the servers related to data collection for the lab group.
- Aug 2021 – Sept 2023 **Software Engineer 2, Dover India Private Limited, Bengaluru**
I was involved in creating new REST APIs, migrating Python-based scripts into Node.js-based REST APIs, and designing user management, version management, role-based access control for CDS Mentor, a 3D Visualization SaaS.
- Feb 2021 – June 2021 **SDE Intern, Practo Technologies Private Limited, Bengaluru**
I managed the dashboard for monitoring various system and network states and introduced automated scripts for system and network monitoring.

Selected Projects

- 2025 **“Does Ukrainian serve as a good bridge language for Russian speakers in understanding other Slavic languages?”** – Statistical data analysis of translations using linguistic and large language metrics to study receptive multilingualism in Slavic languages
- 2024 **When Words Deceive: False Friends and L2 Proficiency in German-English Bilingual Processing** – Statistical data analysis of Self Paced Reading study to understand the relationship between L2 proficiency and language non-selectivity.
- 2023 **Neural Bilingual Named Entity Recognizer for English - Spanish Code Switching** – A custom RoBERTa-based neural model trained on English - Spanish code-switched data for named entity recognition.
- 2021 **Football tweet dataset generator** – Football Sentiment Analysis dataset generator by using hash-tags. Uses tweepy for tweet scraping, vaderSentiment for sentiment annotation and cron jobs for regular execution of the scraping script.

Research Publications

Conference Proceedings

- 1 Niranjana Hegde B S et al. "Enhanced Cyber Security in IoT Using Deep Belief Network". In: *2022 IEEE 2nd Mysore Sub Section International Conference (MysuruCon)*. 2022, pp. 1–5.  DOI: 10.1109/MysuruCon55714.2022.9972474.  URL: <https://ieeexplore.ieee.org/abstract/document/9972474>.

Conferences and Workshops

- 2025 **L3W-2025: Workshop on Multilingual Language Acquisition, Processing and Use**,
Poster presentation accepted: "Does Ukrainian serve as a good bridge language for Russian speakers in understanding other Slavic languages?", 3–4 October 2025, Nebrija University, Madrid, Spain
- DMR 2025: 6th International Workshop on Designing Meaning Representations**,
Participant, 4 August 2025, Prague, Czechia
- Conference on Rational Approaches in Language Science (RAILS)**,
Participant, 13–15 February 2025, Saarbrücken, Germany
- 2022 **2022 IEEE 2nd Mysore Sub Section International Conference (MysuruCon)**,
Oral Presentation, 16 – 17 October 2022, Mysore, India

Skills

Languages	Kannada (Native), English (Fluent), Hindi (Intermediate), German (Beginner)
Programming Languages	Java, Python, R, C#
Databases	MySQL, MongoDB, PostgreSQL
Web Development	HTML5, CSS, Angular, Node.js, Python Flask, .NET Core

Miscellaneous Experience

Awards and Achievements

- 2022 **Runner Up, Dover India Hackathon 2.0**
- 2021 **1st Rank in BE Information Science and Engineering**, Bangalore University.
- 2017–2021 **Foundation for Excellence (FFE) Scholarship**, Awarded Rs.40,000 annually for academic merit.
- SSP Scholarship, Government of Karnataka**, Awarded Rs.19,000 annually for academic merit.

Selected Courses and Certifications

- 2020 **Launching into Machine Learning** by Google Cloud. Issued by Coursera.
- 2022 **Introduction to Psychology** by Yale University. Issued by Coursera.
- Machine Learning for Business Challenges**. Issued by Amazon Web Services (AWS)
- 2023 **Introduction to R**. Issued by Datacamp.
- Intermediate R**. Issued by Datacamp.
- Intermediate Regression in R**. Issued by Datacamp.
- Introduction to Data Visualization with ggplot2**. Issued by Datacamp.
